

Historic Greek Revival Cottage

\$209,000

Bedrooms: 2

Bathrooms: 1

This Greek Revival cottage is nestled in the heart of the historic district that is on the National Register of Historic Places. There is a guest cottage with heat/air conditioning and the out building is a garden shed for the mower and garden tools. There are four fireplaces. Restoration included new chimneys, new wiring, new plumbing, custom interior shutters and screen doors, heat and air conditioning and insulation. The interior front rooms reflect a federal influence with high ceilings and original moldings which create a dramatic effect. Within walking distance of downtown library, shops and restaurants. Located on quiet street in historic district. Price just reduced to \$209,000.
