This delightful French Country home for sale in Litchfield County sits well back on 25 acres overlooking a pond and protected land. The style is set in the classic Living Room where delicate moldings enhance the French circa 1760 limestone fireplace, 18th century "parquet de Versailles" floor, and two walls of French doors opening to Patio and Westerly views over Canaan Valley. Soft painted murals by Robert Carerre enhance the Dining Room with similar fireplace and French doors. The well equipped Kitchen makes entertaining easy and offers casual family dining either inside or on the screened porch. A second floor Master Suite with fireplace enjoys the same Westerly views. Family and Guest Bedrooms extend over the porte cochere and allow for a separate apartment if desired. The pool and tennis court enjoy a pool house with kitchen and dressing rooms just a walk from house and close to pond.
