Historic Hillside Inn circa 1851. This historic and picturesque inn was originally built as a health spa in 1850. Visited by famous people such as Susan B Anthony, the Roosevelts, and many others. It was a private residence for many decades and then a Bed and Breakfast. Situated on picturesque, sprawling 29 acres in Wyoming County with a natural mineral water stream running through the property. Can be sold fully furnished with full kitchen equipped for a restaurant or can be used for private residence. Brand new boiler system installed in January. This is an absolute must see! Full of history!
